

PARLBY CREEK - BUFFALO LAKE WATER MANAGEMENT PROJECT REVIEW BOARD

The Parlby Creek - Buffalo Lake Water Management Project Review Board has been established to review, consider and advise the Minister of the Environment on the environmental impact of the Parlby Creek - Buffalo Lake Development Project (Ministerial Order No. 04/91).

A public hearing has been scheduled for May 21 and 22, 1991 in the Village of Alix. The Board invites written submissions by interested individuals and groups. If you are unable to attend the hearing, your written submission will be considered. If you wish to make a presentation at the hearing, we encourage you to call the Review Board office and register in advance to allow for scheduling of presentations.

For further information, please contact the Review Board office at 5004 - 47A Street, Lacombe, Alberta, Tel: 782-2202. Written enquiries should be directed to Box #15400, Lacombe, Alberta T0C 1S0.

Limited funding may be available to interested individuals and groups, depending on necessity, and the relevancy of the information submitted to the Review Board.
